Exceptional problem solver, Quick learner, Proficiency in Microsoft Suite, Leadership,

Experience

Inventory Control Coordinator.

4/2024 - Current

Y&S Candies

Lancaster, PA

Overseeing stock levels, monitoring inventory movements, coordinating with the warehouse team, conducting audits, and implementing efficient inventory management practices.

Sanitation

7/2021 - 4/2024

Y&S Candies

Lancaster, PA

Expertise in cleaning and sanitizing the office space, floors and surface using disinfectants as well as restocking inventory. Help move furniture/office equipment, help the leadership team set up for events.

Pull-N-Peel/Floor person

2020 - 2021

Y&S Candies

Lancaster, PA

As a floor person I was responsible for making sure the over/under waste was put into LPR for management correctly. Made sure all lines had all the supplies needed to run efficiently.

Industrial Cleaner

2017 - 2020

Y&S Candies

Lancaster, PA

Use scissor lift or Genie Boom to clean high accessible areas. Did all the work for preventative maintenance/cleaning such as tunnels, cookroom area, slurry room, air duct system, clean plugged drains, Cylo pad and ect...

Extrusion Operator/SME Trainer

2014 - 2017

Y&S Candies

Lancaster, PA

As an operator I would make sure the line ran efficiently without downtime. Use the Microsoft system to maintain the proper candy weight, use the scale to weigh the candy that would then transfer into the microsoft system. Maintain minor issues for a successful run of candy on my shift.

SME Trainer - I would help set up new employees to be successful in their upcoming new position. I would show them how to do their new job in about 4 weeks.

Packaging Equipment Operator/Material handler

2008 - 2014

Y&S Candies

Lancaster, PA

Operate power lift trucks, work saver, pallet jack forklifts safely with a 0% incident rate. Transport goods from rack and shelving. Work at a rapid pace to meet tight deadlines. Maintain equipment by replacing low battery with fully charged battery. Unloaded, picked, staged and loaded product for shipping.

Installation Tech

11/2004 - 3/2008

Circuit City

Lancaster, PA

Certified installer on any make and model vehicle. Delivering a professional result to our customers. Explained company offerings to promote products and services to customers. Installed and removed sound systems, including pulling wire, custom made stereo boxes, device termination and mounting back boxes. Documented and reported each installation in the company log book. Certified to install Ignition Interlock breathalyzers device.

Service Mechanic Supervisor

5/2002 - 09/2004

Triangle Lube

Lancaster, PA

Managed a team of 7 employees. Scheduling, ordering supplies and managing the accounts. Performed on all vehicles coolant & transmission flushes, oil changes, tune ups, belts and tire services. Reduced and controlled expenses by promoting special offer
